

## Application for Assistance Programs

(PLEASE READ ENTIRLY BEFORE FILLING OUT THE APPLICATION!!!)

### What is the Hearing and Speech Foundation?

The mission of the Hearing and Speech Foundation (HSF) is to empower individuals with communication deficits to live their lives to the fullest. We accomplish our mission through the following programs: hearing aid assistance (domestic and international); training for professionals; research and development in speech perception; auditory therapy for children and adults; and hearing aid recycling. All services from the Foundation are granted on a first-come, first-served basis. In the event that funding is not available at the time your application is processed and you are pre-approved for services, your name will be placed on a waitlist. As soon as funding is available we will contact you via postal mail to notify you of your final approval.

### What services do you provide?

#### **Hearing Aid Assistance:**

The Foundation provides hearing aids and hearing services, including audiological exams and earmold impressions. The majority of the aids provided by the Foundation are behind-the-ear hearing aids. In-the-ear hearing aids are used if they are available and if they provide the proper amplification for your hearing loss. The type of hearing aid you are fitted with is determined only by the audiologist. **Hearing Aids we have available may be new, manufacturer refurbished or thoroughly evaluated and tested used aids donated through our recycling program.** Once approved and fitted the hearing aid(s) is yours and you are free to have follow-ups with any service provider of your choice. Initially all of our clients receive treatment from Blount Hearing and Speech Services, located in Maryville, TN. All hearing aids received are your property and should be cared for as directed. We ask that in the event you are no longer using the aids that you consider donating them back to the Foundation as they may help someone in the future. **If approved, you are not eligible to re-apply for services for 3 years after your last approval date.**

#### **Therapy Services:**

Certified professionals with HSF use the Verbotonal Method of auditory training to improve the listening skills of both hearing impaired and normal hearing individuals. Clients of any age can be served individually or in small groups, depending on their needs. A typical session is one hour in length, during which the client may use personal hearing aid/s, cochlear implants or specialized auditory equipment provided by HSF. Parent counseling and contact with school personnel is offered when appropriate.

### Who is eligible and what is the cost?

Eligibility for our programs is determined by household income and extenuating personal and financial circumstances. We use the U.S. Department of Health and Human Services Federal Income Guidelines to determine client eligibility and fees for services. We accept clients whose gross annual household income does not exceed 100% above the poverty line. **Fee payment is required at the time of service, unfortunately we do not have a payment plan.**

### What information do I need to apply?

A copy of the following documentation **must** be included with your completed application. Failure to do so will result in a delay in processing your application:

- A completed application for assistance (attached)
- **Verification of residency** You may submit a utility, cable, or phone bill or a copy of your driver's license if the address is correct. (Must be a street address, no post office boxes)
- **Proof of household income** – **Latest IRS 1040 tax return form** and you may be asked to submit a Social Security statement (and/or SSI), an alimony statement, VA benefits statement, retirement pension statement, retirement investment statement, disability income statement, or a check stub from your employer.
- **Copies of medical health insurance card(s)**—front and back
